Kelas: TK-42-PIL

Buat file baru lalu masukan codingan seperti di gambar

```
FILE EXPLORERS

Pragma solidity '9.8.13;

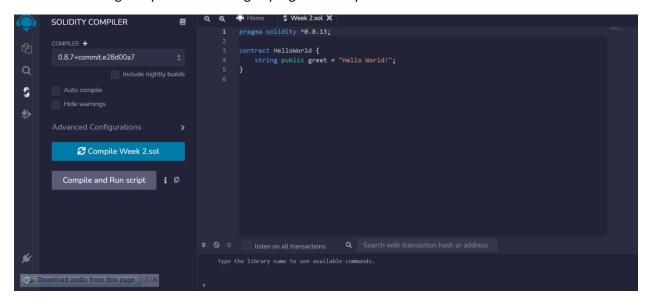

contract HelloWorld {
    string public greet = "Hello World!";
    }

Week 2.sol

**O Usten on all transactions Q Search with transaction hash or address

Type the library name to see available commands.
```

Setelah itu setting compiler sesuai dengan pragma solidity 0.8.13

Lalu Deploy
